### **Teaching Credentials**

Donna is an award-winning Bridge Journalist, along with achieving the rank of ABTA Master Teacher. This prestigious award is given out to those who exemplify superior teaching ability.

The bridge success is exciting, but her passion is teaching. She has been teaching Face-to-Face for over 40 years and designs all her materials. After graduating from Law School, she rewrote these materials with an approach in logic, rather than memorization. Her 5-Year Curriculum ranges from Introduction to Bridge to Advanced Plus levels. In 2014, she transformed her curriculum to online lessons including videos, handouts, and lesson hands. She is continually adding new ways to approach and assimilate the game we all love.

Play Better Bridge is now where Donna fulfills her passion for teaching and hopes it will become your home for online bridge lessons. She offers free mini lessons via Zoom weekday mornings at 9:45am Central Time. Join PBB Online Lessons and together we will take your bridge game to the next level. As you work through the video workshops and seminars, feel free to send her your questions. Think of her as your personal virtual bridge coach.
